

COMPETITION STYLE  
**CENTURION™**

The Centurion, a superb combination of streamlined styling and rigorous engineering standards, is one table that looks as good as it plays. Renowned by players and room owners for quality, accuracy, and supreme playability. Available in two attractive color options and easily at home in the most posh billiards club or upscale private game room.

# COMPETITION STYLE CENTURION™

## DESIGN

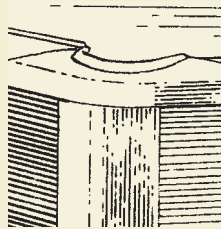

*Sturdy pedestal-style legs  
with foot levelers*

The Centurion features attractive and sturdy pedestal-style legs, a leg stretcher, and foot levelers. Color options include mahogany

and matte black with

either drop pockets or a gully return system. Available in eight-foot pro and nine-foot tournament sizes.

*Molded corner pockets*

## PERFORMANCE

Over 150 years of fine craftsmanship and refinement by Brunswick engineers results in world class competition tables that are designed and manufactured according to exacting standards. These Commercial tables

feature Brunswick's exclusive

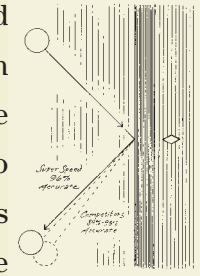

SuperSpeed® Cushions, recognized the world over for superior rebound, accuracy and consistency, and

include the innovative High Performance™ Nut Plate which secures the slate, rails and cushions together for absolute stability.

Optimum playability is achieved with one-inch thick certified slate, guaranteeing

precision-machined, diamond honed, premium quality slate. All Brunswick tables are backed

by a Lifetime Ownership Warranty.
